

Passport Photo Requirements

Please be advised that the submission of a passport-sized photograph that does not comply with the specifications set out in this document shall result in delays in the processing of your application and the subsequent issuance of your licence card.

Head and Face

- Face straight to the camera, full frontal
- Neutral expression: mouth closed, no smile or frown
- Eyes open and clearly visible, looking directly at the camera
- Head centred and not tilted
- Face should take up about 70%-80% of the photo's height

Background

- Plain, uniform background
- White
- No shadows, textures, patterns or objects behind you

Lighting & Quality

- Even lighting on the face
- No shadows on the face or background
- No overexposure or underexposure
- High resolution and sharp focus
- Natural skin tones (no heavy filters or colour distortion)

Glasses & Accessories

- Glasses NOT allowed
- No hats, caps, headbands
- Religious head coverings are allowed, but:
 - Face must be fully visible from chin to forehead
 - No shadows on the face

Photo Format

- Colour photo
- Taken within the last 6 months
- Unedited
- Size: 35mm × 45mm
